ELMS FOR ALL!

Wiltshire's County-Wide Community Tree Planting Project

Plant, Cherish, Enjoy, So everyone in Wiltshire has an Elm Tree near them!

Do you enjoy the trees in your area? Would you and your community like to play a part in planting the next generation of beautiful trees for the next generation to enjoy?

Wiltshire Climate Alliance needs your help to plant a special Elm or other wonderful tree near where you live.

We can help you with advice and sources of young trees to plant in your village or town.

How to get involved

Find a site you think suitable in your community or on your own land and get in touch!

Not sure where to start?
